PLAY TARKIO HERE

BASKET BALL TEAMS CONTEST AT NORMAL TONIGHT.

EXPECT A FAST GAME

Coach Hanson Believes Green and White Will Outplay Winning Bunch Over Wesleyan College.

"Everything is in readiness for the Normal basket ball game with Tarkio tonight," said Coach Walter Hanson today. "The team is in good condition and I believe that the "green and white" will be victorious over Tarkio for the first time tonight."

The line-up which will probably start the game tonight is as follows: Vandersloot, Leech, forwards; Scarlett, center; McClintock, Scott, guards. Scott is used in the line-up, due to the fact that the Tarkio forwards are comparatively light, and Hawthorne is the type of man whom "Scotty" can guard most effectively. Scarlett is shifted from guard to center.

Coach Hanson, in speaking of the line-up said that he expected a hard game and would probably shift the arrangement of the men during the course of the contest. In this case Quinn, Ham and Woodward respectively will be used.

George Palfryman, captain of the Missouri university team, will referee the game. He arrived in Maryville at noon today.

Coach Hanson received a letter from Lona Perrin, former captain and center of the Normal school team today, bearing a message of cheer and encouragement to the team for the coming contest. Perrin said in part:

"From what I know about most of the men representing the green and white this year, and from what I have heard of the rest of them, I see no reason why we should not win the state championship."

The game will begin promptly at 8 o'clock tonight.

In a fast game at Cameron Monday night the Tarkio quintet defeated the Missouri Wesleyan team by a score of 38 to 20. The Tarkio team played the University of Missouri team last night.

Preparatory to the opening of the Normal school basket ball season tonight the student body has selected yell leaders to take charge of the organized "rooting" during the coming games. Eugene Cummins and Henry Miller were elected to be the official leaders and Paul Powell and Ray McPherron were selected as assistants.

While the Tarkio bunch played fast, M. U. won by the final score of 29 to 11. The first half ended 20 to 2 against Tarkio. The scores for Tarkio were made in three field goals and five free throws, while Missouri university got twelve field goals and five free throws. Tarkio made seven fouls and M. U. made eleven fouls, according to a report received at the Normal school.

HOME TALENT GOOD

CAPACITY HOUSE ENJOYS ELKS MINSTREL SHOW.

OFF WITHOUT A HITCH

Voices and Acting of Players and Settings and Costumes Exceeded Expectations—Receipts Over $300.

Maryville need not leave the confines of the city to secure talent for a minstrel show. Neither need it leave home to find a director of such. That was amply and irrevocably demonstrated last night at the Empire theater, where forty-eight Maryville young men and young women, without a semblance of a "hitch" or a "bobble," put on a two-part minstrel show that would have done credit to a "road" show of much training and experience.

And the loyal residents of Maryville showed their belief and trust in the ability of the young men and women amateur players by investing more than $300 in seats for the attraction. For it was a record audience that the players frolicked before last night. In fact, in the six previous minstrel shows put on here the last few years, it is said none ever drew a larger crowd.

What the net profit will be is not yet known, but what is left over after expenses are met will be turned over to the Elks club.

The voices of those in the show, either in chorus or special work, and the dancing and acting were unusually good for players, many of whom perhaps had never previously been before the footlights. The stage settings and arrangements were also good. For this, credit is due most particularly to Frank Schumacher, director. The costumes also were creditable.

L. G. Schumacher "got away good" as interlocutor, while the extreme end men, Wayne David and Ed Gray, got much applause for their clever and original stunts and puns, some of which were "hot shots" at local celebrities. Their supporters, Paul Thompson, Bert Woodard, Perry Crandall and Kenneth Strawn, also were good.

The solo by Harry Mutz, "Alice of Old Vincennes," and Prof. H. B. Schuler, "Love's Old Sweet Song," in colonial costumes, in the first act, drew rounds of applause.

BUILD TRI-COUNTY BRIDGE

Begin Sub-Structure to 108-Foot Span Across Nodaway River in Hughes Township.

After a long delay, caused by floods during the fall, and failure of material to arrive on schedule, the erection of the 108-foot tri-county bridge across the Nodaway river at the extreme southwest corner of Nodaway county, is under way, according to John H. Clary, county highway engineer. It will cost $29,050, according to contract with A. L. Seibert of Rochester, Mo., who is building it.

This cost will be borne equally by the county courts of Nodaway, Holt and Andrew counties. The preliminary work was begun last week, but only this week was the erection begun in earnest. The four tubes or piers are now being put down. The two at the west approach will be twenty-eight feet long and the two at the east approach thirty feet long. They are of steel with concrete filling.

There will be no middle piers. Work was to have begun on it last September.

The new bridge will connect directly with the Fillmore public highway, opened for traffic in Hughes township last fall. It extends directly east from the bridge, then connects with the Graham-Fillmore road into Graham. The bridge will form a connecting link long sought between Nodaway and Holt counties.

Rome, Jan. 13.—A terrific earthquake, the strongest ever felt in Rome, occurred early today. It lasted several seconds and caused a serious panic. People everywhere rushed from the houses in terror. Many buildings were damaged or completely demolished.

PRESENT 42 BILLS

STATE LEGISLATURE IS FLOODED BY PROPOSED MEASURES.

FOR PURCHASING BOARD

Would Save Missouri $100,000 Annually, Governor Says—One Would Compel Road Clearing.

Forty-two bills have been introduced in the Missouri state legislature this week. One of the important bills, which probably will go through, was brought up by Frank Faris of Phelps county. It provides for the creation of a state purchasing board.

The board would consist of three members to purchase supplies for all state institutions, including the schools, the capitol, the supreme court, the penitentiary and the several eleemosynary institutions. The members are to receive a salary of $4,000 a year, with a secretary at $2,500 a year. They are to be appointed by the governor, subject to confirmation by the senate, but removal by the governor "for the public good."

It is proposed to have this new board make every purchase of supplies. Governor Major estimates that it will save the state at least $100,000 each year.

Blow to City Saloons.

The first liquor bill to be presented was a drastic blow at city saloons Representative Frazier of Carter county presented it. It provides that no saloon shall be granted a license within five blocks of any school, church or charitable institution unless the saloon can obtain the signatures of two-thirds of the property owners within five blocks of the proposed location. That would make a district including twenty blocks which would have to favor the saloon.

Representative Frank Wilkinson of Kansas City introduced a "eugenics marriage" bill. Representative Thomas H. Knight of the rural Jackson county district introduced a bill abolishing the poll tax.

The first of the series of fire insurance bills recommended by the fire insurance commission was introduced by Drake Watson of Ralls county. It provides that companies must maintain a public rating bureau setting forth the rates on the various fire risks and set forth on what conditions the rate was arrived at.

Would Cut Working Hours.

Representative Cheney of St. Louis introduced a bill making nine hours the legal length of time men shall work except on common carriers. This applies to stenographers, clerks and all kinds of work in which men are engaged.

Other bills introduced were:

Forbidding turkeys and chickens from running at large and providing a penalty upon owner. The law now specifies geese.

Requiring all prepared compounds of cattle food to bear on the sack the

TO TRY FOR HONOR

GUARDSMEN WOULD BE REPRESENTED ON REGIMENTAL STAFF.

MILITIA PLANS FEAST

Company F Arranges Banquet for Friday at Armony Tonight—Speaking Follows—May Discuss Future.

An effort will be made by members of Company F, Fourth regiment, National Guards of Missouri, stationed here, to have this company represented on the regimental staff, which has headquarters at St. Joseph. It has been announced by Loren DeMotte, first lieutenant in charge of the company, that the six companies of the Fourth regiment which make the best records at the annual inspection next month will have a chance at representation on the staff.

As there are only eleven companies in the Fourth regiment, and Company F perhaps is as strong as several others in the regiment, it is believed the local company has a good chance to have staff representation. No Maryville militia officer now is on the staff.

The annual inspection will be held here February 3 by Captain Charles Gordon of the United States army.

The manner in which a representative will be selected, if Company F does win, will be to place three of the best qualified members up for the vote of the entire company membership, Lieutenant DeMotte said this morning. The one of the three receiving the most votes will represent the company on the regimental staff.

A representation on a regimental staff is of much material importance in addition to the honor accruing in that way. In addition it promotes a greater interest in the militia affairs among the men and aids the company much in getting such equipment and improvements as are most needed.

A banquet will be held by Company F in the armory, West Fourth street, tonight following drill, which begins at 7:30 o'clock. A right tasty menu has been prepared by Claude Wilson, mess sergeant. Several toasts and short talks probably will be made following the feast.

Lieutenant DeMotte will preside at the banquet, while W. H. Gilbert will be toastmaster. The speakers announced are Harry Snyder, assistant cashier of the Farmers Trust company; Fred Hull, editor of the Tribune; W. C. Pearson, proprietor of the Pearson pharmacy; Fred Smith of Seiler & Smith restaurant, and Albert Berlin, news editor Democrat-Forum.

Plates will be laid for fifty at the feast tonight, and more can be accommodated, according to Wilson.

It is probable a discussion of the future of the company will follow the banquet, although no definite action talks will be made following the feast. night.

PROBATE G. A. NASH'S WILL

Surgeon Leaves Property, Except $100, to Wife and Daughter—Widow Executrix.

The will of Dr. George A. Nash, who died here last week after a long illness, was filed in probate court by George R. Ellison, representing the firm of Shinabargar, Blagg & Ellison. The will was made December 18,1914. The widow, Mrs. Mary A. Nash, is named as executrix.

Except for $100 to be held in trust for Anna Elizabeth Meriwether, an adopted daughter, by her trustee James B. Robinson, until she is 18 years old, the entire estate goes to the wife and sole child, Miss Alma Nash. They are to divide the property equally.

According to James S. Shinabargar, the estate is estimated to be worth between $12,000 and $15,000. It consists principally of the residence property at Third and Depot streets and his surgical and collection library.

HOLDS FUNERAL SERVICES.

Rites for Mrs. Kidwell Are Held at Oak Hill Cemetery.

Funeral services for Mrs. Elizabeth Kidwell, a former resident of Maryville, who died Friday at the home of her daughter, Mrs. Ida Shinabargar of Miles City, Mont., were held yesterday afternoon at the Oak Hill church, east of the city.

The body arrived in Maryville yesterday afternoon. The services were conducted by the Rev. John H. Hubbard, pastor of the Buchanan Street Methodist church. The body was interred in the Oak Hill church cemetery. Mr. Kidwell is survived by four children. They are Mrs. Shinabargar of Miles City, Mont.; Mrs. Mattie Steffens of Kansas City, George Kidwell of Osborn, Neb., and Charles Kidwell of Kansas City.

REVIVAL MAY CLOSE SUNDAY.

South Methodist Special Meetings Interesting, But Attract Small Audience.

The special evangelical meetings which were begun ten days ago at the Buchanan Street Methodist church, with the Rev. W. B. Llewellyn directing, will probably close this week, according to the Rev. John H. Hubbard, pastor. There have already been several conversions. The crowds have not been so large as desired, Mr. Hubbard said, although the sermons by Evangelist Llewellyn appear interesting.

He took his text last night from Judges 14:5—"Behold a lion roared against him and the spirit of the Lord came nightly upon him and he rent the lion."

"Sampson of Zora fell in love with a woman of Timnath," explained Mr. Llewellyn. "The parents in that day had to attend to getting the bride for the son, and when Sampson and his parents went for that purpose, a lion in the vineyard roared upon him.

"Sampson met a great difficulty—an unexpected difficulty, at an unexpected time and in an unexpected place. He was empty handed, when he was near the obtaining of the delight of his heart. It is suggestive of the lion of indifference, the lion of neglect, the lion of temper, the lion of appetite, and the lion of habit.

"The honey in the carcass of the dead lion is suggestive of the sweetness of victory. The spirit of God came upon him, suggestive of the only element or the victory of the church."

A Good Citizen Gone.

The death of Dr. George A. Nash of Maryville, Mo., removes from that town one of its leading citizens, as well as a man prominent for years in the medical profession. Dr. Nash was a physician to the people.

His house was known to all the vagrant train;
He chid their wand'rings, but relieved their pain.

Goldsmith's village rector was not larger of heart, nor more open of hand. The death of this noted practitioner among northwest Missouri's pioneer physicians is a distinct loss to the community in whose life Dr. Nash had so important a part for years.—St. Joseph Gazette.

Miss Myrtle Lanning, Miss Doris Vaughn and Miss Gertrude Arnett have returned from a week-end visit with Miss Lanning's parents, Mr. and Mrs. J. C. Lanning of Pickering.

Poultry Expert Says Maryville Buff Wyandottes Are "Extra Fine Specimens."

The three cash prizes and three ribbons secured by Judge W. H. Crawford at the annual show of the Northwest Missouri Poultry Fanciers' association at Chillicothe recently were not all. There was something else secured there that Judge Crawford prizes far more highly than the check and the ribbons—nice that they are—which he received yesterday.

It will be remembered Judge Crawford exhibited several of his best Buff Wyandottes, with which he secured the six honors mentioned. But appended to the letter received yesterday was this from L. M. W. Ott, secretary.

"Judge E. C. Branch pronounced the first prize hen an extra fine specimen, and she was a close second for the best hen in the whole show."

Judge Branch, who lives at Lee's Summit, is recognized as one of Missouri's most able poultry experts.

A HAPPY CHILD IN JUST A FEW HOURS

When Cross, Constipated or if Feverish Give "California Syrup of Figs," Then Don't Worry.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—if full of cold, or sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

PLEADS FOR "DOWNS AND OUTS."

Baptist Evangelist Tells of Stony Path of Fallen to Record Audience.

A plea for the men and women who are "down and out," was made to a record audience by Evangelist A. E. Burch at the First Baptist church last night. It was emphasized by a personal experience and observation of the evangelist. Arch A. Carter sang "Pilgrim" in addition to directing the general chorus music.

Mr. Burch spoke on the subject "An Onion, Two Biscuits, a Nickel and a Ride in an Automobile."

"California is filled with hobos," said Mr. Burch. "One day while making a trip to Stockton with my uncle in his car we took in a poor old hobo. Engaging in conversation on the way my uncle suggested treats. The hobo, sadly, replied: 'I have only a nickel, an onion and two biscuits.' Thus, this sermon with no apology.

"The hobo represented to me, first, a wasted, diseased and exhausted body. God intended that we should care for our body. It is the temple of Jesus Christ and of the Holy Ghost. Your body belongs to God and you should treat it as His. When we sin against our body we sin against God. We should exercise to promote strength and health, daily.

"If hundreds of women would sleep and rest instead of fretting and worrying, their homes would be much happier and not like an apothecary shop.

"Second, this hobo represented a debased mind. Men follow their thoughts.

"Third, this hobo represented a damned soul. At death heaven is closed against him; hell is open to him. He is lost, lost, lost. The time will come when our conscience will cry, "Come back, Oh, come back, lost opportunities."

Burlington Hauls 24 Million.

In 1914 the Burlington route transported 24,225,911 passengers, and there was not a fatality for which the blame was fixed upon the railroad or any of its employes, according to an announcement from headquarters at St. Louis.

part was particularly good. It opened with the chorus singing "Chinatown, My Chinatown," and "It's a Long, Long Way to Tipperary." It was the first time this latest popular song has been publicly sung here.

The following players, assisted in the chorus by the entire group, gave song renditions: Wayne David, G. B. Holmes, Paul Thompson, Ed Gray, Bert Woodard, Perry Crandall, Fleming Carpenter and Edward Goodspeed.

In the second part, which consisted entirely of an olio, composed of vaudeville and dancing, intermingled with songs and music, Edison Blagg and Jesse Miller, Jr., got no little commendation for their "bell-hop" monologue and singing which opened the act.

Prof. T. B. Maulding, Edward Schumacher, O. K. Bovard and Loyd Miles, comprising the brass quartet, also drew several encores.

Miss Gladys Keyser of Brookfield, Miss Besse Scott and Frank A. Schumacher perhaps featured in the second act with the singing of the following popular airs: "A Little Bit of Silk," "I'd Rather Love What I Cannot Have Than Have What I Cannot Love," "Mine," "Goodbye, Girls," "You May Be the World to a World of Friends," "A Toast of the Round Red Moon."

They were assisted by a chorus composed of Amy Clark, Inez Hall, Katherine Carpenter, Kathleen Chittenden, Olivette Godsey, Anna Parle.

The finale scheduled feature was given by Miss Keyser and Paul Thompson, with a display of some of the latest dances.

PLAY TARKIO HERE

BASKET BALL TEAMS CONTEST AT NORMAL TONIGHT.

EXPECT A FAST GAME

Coach Hanson Believes Green and White Will Outplay Winning Bunch Over Wesleyan College.

"Everything is in readiness for the Normal basket ball game with Tarkio tonight," said Coach Walter Hanson today. "The team is in good condition and I believe that the "green and white" will be victorious over Tarkio for the first time tonight."

The line-up which will probably start the game tonight is as follows: Vandersloot, Leech, forwards; Scarlett, center; McClintock, Scott, guards. Scott is used in the line-up, due to the fact that the Tarkio forwards are comparatively light, and Hawthorne is the type of man whom "Scotty" can guard most effectively. Scarlett is shifted from guard to center.

Coach Hanson, in speaking of the line-up said that he expected a hard game and would probably shift the arrangement of the men during the course of the contest. In this case Quinn, Ham and Woodward respectively will be used.

George Palfryman, captain of the Missouri university team, will referee the game. He arrived in Maryville at noon today.

Coach Hanson received a letter from Lona Perrin, former captain and center of the Normal school team today, bearing a message of cheer and encouragement to the team for the coming contest. Perrin said in part:

"From what I know about most of the men representing the green and white this year, and from what I have heard of the rest of them, I see no reason why we should not win the state championship."

The game will begin promptly at 8 o'clock tonight.

In a fast game at Cameron Monday night the Tarkio quintet defeated the Missouri Wesleyan team by a score of 38 to 20. The Tarkio team played the University of Missouri team last night.

Preparatory to the opening of the Normal school basket ball season tonight the student body has selected yell leaders to take charge of the organized "rooting" during the coming games. Eugene Cummins and Henry Miller were elected to be the official leaders and Paul Powell and Ray McPherron were selected as assistants.

While the Tarkio bunch played fast, M. U. won by the final score of 29 to 11. The first half ended 20 to 2 against Tarkio. The scores for Tarkio were made in three field goals and five free throws, while Missouri university got twelve field goals and five free throws. Tarkio made seven fouls and M. U. made eleven fouls, according to a report received at the Normal school.

HOME TALENT GOOD

CAPACITY HOUSE ENJOYS ELKS MINSTREL SHOW.

OFF WITHOUT A HITCH

Voices and Acting of Players and Settings and Costumes Exceeded Expectations—Receipts Over $300.

Maryville need not leave the confines of the city to secure talent for a minstrel show. Neither need it leave home to find a director of such. That was amply and irrevocably demonstrated last night at the Empire theater, where forty-eight Maryville young men and young women, without a semblance of a "hitch" or a "bobble," put on a two-part minstrel show that would have done credit to a "road" show of much training and experience.

And the loyal residents of Maryville showed their belief and trust in the ability of the young men and women amateur players by investing more than $300 in seats for the attraction. For it was a record audience that the players frolicked before last night. In fact, in the six previous minstrel shows put on here the last few years, it is said none ever drew a larger crowd.

What the net profit will be is not yet known, but what is left over after expenses are met will be turned over to the Elks club.

The voices of those in the show, either in chorus or special work, and the dancing and acting were unusually good for players, many of whom perhaps had never previously been before the footlights. The stage settings and arrangements were also good. For this, credit is due most particularly to Frank Schumacher, director. The costumes also were creditable.

L. G. Schumacher "got away good" as interlocutor, while the extreme end men, Wayne David and Ed Gray, got much applause for their clever and original stunts and puns, some of which were "hot shots" at local celebrities. Their supporters, Paul Thompson, Bert Woodard, Perry Crandall and Kenneth Strawn, also were good.

The solo by Harry Mutz, "Alice of Old Vincennes," and Prof. H. B. Schuler, "Love's Old Sweet Song," in colonial costumes, in the first act, drew rounds of applause.

BUILD TRI-COUNTY BRIDGE

Begin Sub-Structure to 108-Foot Span Across Nodaway River in Hughes Township.

After a long delay, caused by floods during the fall, and failure of material to arrive on schedule, the erection of the 108-foot tri-county bridge across the Nodaway river at the extreme southwest corner of Nodaway county, is under way, according to John H. Clary, county highway engineer. It will cost $29,050, according to contract with A. L. Seibert of Rochester, Mo., who is building it.

This cost will be borne equally by the county courts of Nodaway, Holt and Andrew counties. The preliminary work was begun last week, but only this week was the erection begun in earnest. The four tubes or piers are now being put down. The two at the west approach will be twenty-eight feet long and the two at the east approach thirty feet long. They are of steel with concrete filling.

There will be no middle piers. Work was to have begun on it last September.

The new bridge will connect directly with the Fillmore public highway, opened for traffic in Hughes township last fall. It extends directly east from the bridge, then connects with the Graham-Fillmore road into Graham. The bridge will form a connecting link long sought between Nodaway and Holt counties.

Rome, Jan. 13.—A terrific earthquake, the strongest ever felt in Rome, occurred early today. It lasted several seconds and caused a serious panic. People everywhere rushed from the houses in terror. Many buildings were damaged or completely demolished.

PRESENT 42 BILLS

STATE LEGISLATURE IS FLOODED BY PROPOSED MEASURES.

FOR PURCHASING BOARD

Would Save Missouri $100,000 Annually, Governor Says—One Would Compel Road Clearing.

Forty-two bills have been introduced in the Missouri state legislature this week. One of the important bills, which probably will go through, was brought up by Frank Faris of Phelps county. It provides for the creation of a state purchasing board.

The board would consist of three members to purchase supplies for all state institutions, including the schools, the capitol, the supreme court, the penitentiary and the several eleemosynary institutions. The members are to receive a salary of $4,000 a year, with a secretary at $2,500 a year. They are to be appointed by the governor, subject to confirmation by the senate, but removal by the governor "for the public good."

It is proposed to have this new board make every purchase of supplies. Governor Major estimates that it will save the state at least $100,000 each year.

Blow to City Saloons.

The first liquor bill to be presented was a drastic blow at city saloons Representative Frazier of Carter county presented it. It provides that no saloon shall be granted a license within five blocks of any school, church or charitable institution unless the saloon can obtain the signatures of two-thirds of the property owners within five blocks of the proposed location. That would make a district including twenty blocks which would have to favor the saloon.

Representative Frank Wilkinson of Kansas City introduced a "eugenics marriage" bill. Representative Thomas H. Knight of the rural Jackson county district introduced a bill abolishing the poll tax.

The first of the series of fire insurance bills recommended by the fire insurance commission was introduced by Drake Watson of Ralls county. It provides that companies must maintain a public rating bureau setting forth the rates on the various fire risks and set forth on what conditions the rate was arrived at.

Would Cut Working Hours.

Representative Cheney of St. Louis introduced a bill making nine hours the legal length of time men shall work except on common carriers. This applies to stenographers, clerks and all kinds of work in which men are engaged.

Other bills introduced were:

Forbidding turkeys and chickens from running at large and providing a penalty upon owner. The law now specifies geese.

Requiring all prepared compounds of cattle food to bear on the sack the

TO TRY FOR HONOR

GUARDSMEN WOULD BE REPRESENTED ON REGIMENTAL STAFF.

MILITIA PLANS FEAST

Company F Arranges Banquet for Fifty at Armony Tonight—Speaking Follows—May Discuss Future.

An effort will be made by members of Company F, Fourth regiment, National Guards of Missouri, stationed here, to have this company represented on the regimental staff, which has headquarters at St. Joseph. It has been announced by Loren DeMotte, first lieutenant in charge of the company, that the six companies of the Fourth regiment which make the best records at the annual inspection next month will have a chance at representation on the staff.

As there are only eleven companies in the Fourth regiment, and Company F perhaps is as strong as several others in the regiment, it is believed the local company has a good chance to have staff representation. No Maryville militia officer now is on the staff.

The annual inspection will be held here February 3 by Captain Charles Gordon of the United States army.

The manner in which a representative will be selected, if Company F does win, will be to place three of the best qualified members up for the vote of the entire company membership, Lieutenant DeMotte said this morning. The one of the three receiving the most votes will represent the company on the regimental staff.

A representation on a regimental staff is of much material importance in addition to the honor accruing in that way. In addition it promotes a greater interest in the militia affairs among the men and aids the company much in getting such equipment and improvements as are most needed.

A banquet will be held by Company F in the armory, West Fourth street, tonight following drill, which begins at 7:30 o'clock. A right tasty menu has been prepared by Claude Wilson, mess sergeant. Several toasts and short talks probably will be made following the feast.

Lieutenant DeMotte will preside at the banquet, while W. H. Gilbert will be toastmaster. The speakers announced are Harry Snyder, assistant cashier of the Farmers Trust company; Fred Hull, editor of the Tribune; W. C. Pearson, proprietor of the Pearson pharmacy; Fred Smith of Seiler & Smith restaurant, and Albert Berlin, news editor Democrat-Forum.

Plates will be laid for fifty at the feast tonight, and more can be accommodated, according to Wilson.

It is probable a discussion of the future of the company will follow the banquet, although no definite action talks will be made following the feast, night.

PROBATE G. A. NASH'S WILL

Surgeon Leaves Property, Except $100, to Wife and Daughter—Widow Executrix.

The will of Dr. George A. Nash, who died here last week after a long illness, was filed in probate court by George R. Ellison, representing the firm of Shinabargar, Blagg & Ellison. The will was made December 18,1914. The widow, Mrs. Mary A. Nash, is named as executrix.

Except for $100 to be held in trust for Anna Elizabeth Meriwether, an adopted daughter, by her trustee James B. Robinson, until she is 18 years old, the entire estate goes to the wife and sole child, Miss Alma Nash. They are to divide the property equally.

According to James S. Shinabargar, the estate is estimated to be worth between $12,000 and $15,000. It consists principally of the residence property at Third and Depot streets and his surgical and collection library.

HOLDS FUNERAL SERVICES.

Rites for Mrs. Kidwell Are Held at Oak Hill Cemetery.

Funeral services for Mrs. Elizabeth Kidwell, a former resident of Maryville, who died Friday at the home of her daughter, Mrs. Ida Shinabargar of Miles City, Mont., were held yesterday afternoon at the Oak Hill church, east of the city.

The body arrived in Maryville yesterday afternoon. The services were conducted by the Rev. John H. Hubbard, pastor of the Buchanan Street Methodist church. The body was interred in the Oak Hill church cemetery. Mr. Kidwell is survived by four children. They are Mrs. Shinabargar of Miles City, Mont.; Mrs. Mattie Steffens of Kansas City, George Kidwell of Osborn, Neb., and Charles Kidwell of Kansas City.

REVIVAL MAY CLOSE SUNDAY.

South Methodist Special Meetings Interesting, But Attract Small Audience.

The special evangelical meetings which were begun ten days ago at the Buchanan Street Methodist church, with the Rev. W. R. Llewellyn directing, will probably close this week, according to the Rev. John H. Hubbard, pastor. There have already been several conversions. The crowds have not been so large as desired, Mr. Hubbard said, although the sermons by Evangelist Llewellyn appear interesting.

He took his text last night from Judges 14:5—"Behold a lion roared against him and the spirit of the Lord came mightly upon him and he rent the lion."

"Sampson of Zora fell in love with a woman of Timnath," explained Mr. Llewellyn. "The parents in that day had to attend to getting the bride for the son, and when Sampson and his parents went for that purpose, a lion in the vineyard roared upon him.

"Sampson met a great difficulty—an unexpected difficulty, at an unexpected time and in an unexpected place. He was empty handed, when he was near the obtaining of the delight of his heart. It is suggestive of the lion of indifference, the lion of neglect, the lion of temper, the lion of appetite, and the lion of habit.

"The honey in the carcass of the dead lion is suggestive of the sweetness of victory. The spirit of God came upon him, suggestive of the only element or the victory of the church."

A Good Citizen Gone.

The death of Dr. George A. Nash of Maryville, Mo., removes from that town one of its leading citizens, as well as a man prominent for years in the medical profession. Dr. Nash was a physician to the people.

His house was known to all the vagrant train;
He chid their wand'rings, but relieved their pain.

Goldsmith's village rector was not larger of heart, nor more open of hand. The death of this noted practitioner among northwest Missouri's pioneer physicians is a distinct loss to the community in whose life Dr. Nash had so important a part for years.—St. Joseph Gazette.

Miss Myrtle Lanning, Miss Doris Vaughn and Miss Gertrude Arnett have returned from a week-end visit with Miss Lanning's parents, Mr. and Mrs. J. C. Lanning of Pickering.

Poultry Expert Says Maryville Buff Wyandottes Are "Extra Fine Specimens."

The three cash prizes and three ribbons secured by Judge W. H. Crawford at the annual show of the Northwest Missouri Poultry Fanciers' association at Chillicothe recently were not all. There was something else secured there that Judge Crawford prizes far more highly than the check and the ribbons—nice that they are—which he received yesterday.

It will be remembered Judge Crawford exhibited several of his best Buff Wyandottes, with which he secured the six honors mentioned. But appended to the letter received yesterday was this from L. M. W. Ott, secretary.

"Judge E. C. Branch pronounced the first prize hen an extra fine specimen, and she was a close second for the best hen in the whole show."

Judge Branch, who lives at Lee's Summit, is recognized as one of Missouri's most able poultry experts.

A HAPPY CHILD IN JUST A FEW HOURS

When Cross, Constipated or if Feverish Give "California Syrup of Figs," Then Don't Worry.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—if full of cold, or sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

PLEADS FOR "DOWNS AND OUTS."

Baptist Evangelist Tells of Stony Path of Fallen to Record Audience.

A plea for the men and women who are "down and out," was made to a record audience by Evangelist A. E. Burch at the First Baptist church last night. It was emphasized by a personal experience and observation of the evangelist. Arch A. Carter sang "Pilgrim" in addition to directing the general chorus music.

Mr. Burch spoke on the subject "An Onion, Two Biscuits, a Nickel and a Ride in an Automobile."

"California is filled with hobos," said Mr. Burch. "One day while making a trip to Stockton with my uncle in his car we took in a poor old hobo. Engaging in conversation on the way my uncle suggested treats. The hobo, sadly, replied: 'I have only a nickel, an onion and two biscuits.' Thus, this sermon with no apology.

"The hobo represented to me, first, a wasted, diseased and exhausted body. God intended that we should care for our body. It is the temple of Jesus Christ and of the Holy Ghost. Your body belongs to God and you should treat it as His. When we sin against our body we sin against God. We should exercise to promote strength and health, daily.

"If hundreds of women would sleep and rest instead of fretting and worrying, their homes would be much happier and not like an apothecary shop.

"Second, this hobo represented a debased mind. Men follow their thoughts.

"Third, this hobo represented a damned soul. At death heaven is closed against him; hell is open to him. He is lost, lost, lost. The time will come when our conscience will cry, "Come back, Oh, come back, lost opportunities."

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and removes poisonous matter. It brings swift relief to sufferers from ailments of the stomach, liver and intestinal troubles. HOME TALENT GOOD

(Continued from first page.)

part was particularly good. It opened with the chorus singing "Chinatown, My Chinatown," and "It's a Long, Long Way to Tipperary." It was the first time this latest popular song has been publicly sung here.

The following players, assisted in the chorus by the entire group, gave song renditions: Wayne David, G. B. Holmes, Paul Thompson, Ed Gray, Bert Woodard, Perry Crandall, Fleming Carpenter and Edward Goodspeed.

In the second part, which consisted entirely of an olio, composed of vaudeville and dancing, intermingled with songs and music, Edison Blagg and Jesse Miller, Jr., got no little commendation for their "bell-hop" monologue and singing which opened the act.

Prof. T. B. Maulding, Edward Schumacher, O. K. Bovard and Loyd Miles, comprising the brass quartet, also drew several encores.

Miss Gladys Keyser of Brookfield, Miss Besse Scott and Frank A. Schumacher perhaps featured in the second act with the singing of the following popular airs: "A Little Bit of Silk," "I'd Rather Love What I Cannot Have Than Have What I Cannot Love," "Mine," "Goodbye, Girls," "You May Be the World to a World of Friends," "A Toast of the Round Red Moon."

They were assisted by a chorus composed of Amy Clark, Inez Hall, Katherine Carpenter, Kathleen Chittenden, Olivette Godsey, Anna Parle.

The finale scheduled feature was given by Miss Keyser and Paul Thompson, with a display of some of the latest dances.

VISITORS ADDRESS MEN'S CLUB.

C. F. Baker of Ecuador Speaks at First Presbyterian Church.

C. F. Baker, vice and deputy American consul at Guayaquil, Ecuador, South America, made a talk before the Men's club of the First Presbyterian church last night at the occasion of the regular monthly banquet. Mr. Baker has been connected with the consular service in South America for the past eleven years. His talk last night was devoted to the business opportunities which that country affords to the people of the United States, and was of great interest to the fifty-five men attending the banquet.

Mr. Baker has been in Maryville for the past ten days, visiting C. Edwin Wells.

Preceding the talk of Mr. Baker, Joe Jackson, Jr., cashier of the First National bank, made a talk, taking up the subject of the federal reserve banking system, explaining its benefits and usages. AUCTION FOR ATHLETES.

High School Sells Articles to Buy Suits for Basket Ball Players.

An auction of various articles wrapped in "mysterious" packages, so that the contents were unknown to the purchaser until opened, was held in the auditorium of the Washington school building, beginning at 2:30 o'clock this afternoon. The proceeds will go toward buying athletic suits for the members of the high school basket ball team. It will require about $25 to do this, according to Prof. E. R. Utter.

The goods were auctioned by Prof. W. M. Westbrook, Prof. Utter and Prof. Polson.

He virtually succeeds Yeomans, who was deputy under George W. Demott, former clerk.

Addressed Students.

The Rev. S. D. Harkness of the First Presbyterian church conducted the devotional exercises at the Normal school this morning, and afterward talked to the students concerning "The Human Need of Jesus Christ."
